

The Meeting Place

January 2023

Welcome to our first The Meeting Place newsletter of 2023. We hope your year is off to a good start. Here you will find an overview of upcoming events in the One Nucleus calendar, including external events where members can access discounts to attend.

Save the Date for ON Helix 2023!

6 July 2023 | Cambridge UK

on helix 

New Horizons for Bio Innovation

The banner features the 'on helix' logo with a DNA double helix graphic, the 'one nucleus' logo, and a pink rounded rectangle containing the text 'New Horizons for Bio Innovation'. Above the main text, it says '6 July 2023 | Cambridge UK'.

ON Helix Keynote Programme

ON Helix 2023 will address New Horizons in Bio Innovation, from the developments in ecosystems, technology, diagnostics and therapeutics that are improving translational research for improved healthspan with the proposed topics including:

- Creating an Innovation Space
- New Horizons in Genetic Screening
- New Horizons in Paediatric Medicines
- New Horizons in Precision Oncology
- New Horizons in AI-based Prediction and Prevention
- New Horizons in Neurodegenerative Diseases
- When do Good Neighbours Become Good Business Partners

We welcome your feedback, insight and support to help refine the [keynote programme](#). Please contact our [ON Helix team](#) and we will be happy to discuss.

Events Near You...Take a Look at Our Interactive Map

Featured Event:
9 February 2023, 11.00 - 12.00, Business Continuity Planning – What's your Plan B?

In collaboration with One Nucleus Partner

In this webinar, expert speakers will talk through how having a business continuity plan (BCP) can make the difference when things go wrong. Our session will also look at the wider commercial value to your business and explain how to create a BCP in simple steps. [Register...](#)

Early Bird Discount and Enhanced Profiling at Bio Europe Spring 2023

Members of One Nucleus can access a 12% discount to attend Bio Europe Spring in

Basel, Switzerland on 20-22 March 2023. Don't miss the opportunity to take advantage of the early bird rate ending on 31 January for the potential to save €799 when combined with the above. One Nucleus can also support you with additional visibility at this conference and has a package for members to raise their profile and to be seen with One Nucleus on our exhibition stand (from £250 + VAT). Dates for Your Diary

Planning Ahead? View a list of forthcoming One Nucleus events, training courses and industry events on our downloadable calendar.

Genesis 2022

The Golden Triangle (Oxford, Cambridge and London) hosts a substantial proportion of the UK's biotech innovation, but is the potential of this ecosystem to grow a Life Science company better than Boston? Find out what our expert panel had to say about the pros/cons of each ecosystem during the Genesis 2022 Debate 'This House Believes' as summarised in our guest blog '[Cambridge vs Cambridge!](#)' by Sura Hussein, Senior Business Development Manager, London & Partners.

The full content for Genesis 2022 is now available to watch on the One Nucleus [YouTube channel](#).

A Great Way to Start the Year!

Great to see so many enjoying themselves at the One Nucleus networking social hosted in London on 11 January, kindly supported by United Airlines at the Euston Flyer.
