

# The Meeting Place

April 2023

Welcome to our latest The Meeting Place e-newsletter to help keep you updated on forthcoming events in the One Nucleus calendar where you can meet us and your peers, including external events where members can access discounts to attend.

## Featured Event:

**27 April 2023, 10:00-11:00, Life Science Marketing Group - Maximising Your Life Science Marketing Budget: Strategies for Achieving More With Less**

In collaboration with:

Join our webinar to learn cost-effective ways to reach your audience, from prioritising high ROI channels to unlocking the power of your marketing budget to achieve more with less. [Register...](#)

## ON Helix 2023 - New Horizons for Bio Innovation

The Cambridge cluster's reputation in Life Science and innovation is undeniable. As our sector is transformed by developments in artificial intelligence, precision medicine and anti-ageing science, the Cambridge cluster continues to raise the bar. Read our article '[Healthy Ageing Across the Lifespan](#)' highlighting the role of the Cambridge cluster and join us at ON Helix 2023 where we will continue these discussions as part of our [keynote programme](#).

[Register](#) now to ensure you don't miss the conversation and learn more about remaining [sponsorship packages](#).

## Dates For Your Diary

- 5-8 June, [BIO International Convention](#)
- 20 June, [HealthTech Integrates \(formerly MedTech\)](#)
- 29 June, [MediWales Connects Conference 2023](#)

## Supporting our Members to Meet Key Contacts at Home and Away

Global connectivity is key for success and One Nucleus is very pleased to be building support for our members' interactions with the US via our new collaboration with

United Airlines. Find out more in our blog 'Can One Nucleus give You and Your Company Wings to the US?'

### Bio Europe Spring 2023 - That's a Wrap!

One Nucleus had a very successful Bio Europe Spring conference and we are immensely grateful to the members who supported our booth. Our highly anticipated Annual Review publication was launched during the same week, featuring those that were part of the One Nucleus delegation, as well as an exciting array of penned articles from the network. View the publication [here...](#)
