

## Dates for Your Diary

Dear Alicia,

Welcome to the latest Dates For Your Diary update. As 2021 draws to a close, we hope you are finding the time to wind down and recharge after a busy year. Why not also take this as an opportunity to get ahead on planning for the coming year?

To help you keep track of important dates and those events and courses where One Nucleus members can make savings, check out our [2022 Calendar](#).

[2022 Calendar](#)

Wishing you a safe, healthy and happy 2022, and happy scheduling!

## Spotlighted Events & Courses:

[ON Events](#)

**2 Feb, 17:00-19:00 hrs | BioWednesday Webinar: Science, People, Infrastructure and Geography – Where is Diversity Most Important to Scaling Life Science Innovation | Free to Attend for ON Members |** Join us for an insightful discussion led by Tony Jones,

CEO, One Nucleus on what are the key elements necessary to attract the required real estate development, talent, investment and policies to scale a successful Life Sciences cluster in 2022 and beyond. This BioWednesday is planned to take place in a decentralised format whereby delegates have the option of attending online or in-person at one of the decentralised hubs.
