

Dates for Your Diary

Welcome to the latest Dates for Your Diary update! If you would like to attend an event or course please follow the link under each section below for [One Nucleus Events](#), [Training Courses](#) and [External Events](#), the latter being events offered by industry collaborators and often include discounted rate offers.

Spotlight: Following the success of our first in-person Networking Mixer at EIP in September, we are delighted to be offering you another opportunity to meet in-person at our upcoming mixer at QME in London on 20th October at 16.00-18.00 hrs.

Happy scheduling!

[ON Events](#)

19 Oct, 14.30-16.00 hrs | Webinar: Doing Business in the USA - Streamlining Your US Expansion | Free to attend | Join this session to learn more about what you need to know and plan for in your US expansion. A panel of expert speakers will present, followed by Q&A and a breakout session.

20 Oct, 13.00-14.00 hrs | Webinar: Employer of Choice Session: Wellbeing - Helping Employees Stay in Tune | Free to attend | A

panel discussion which will cover the benefits of investing in employee wellbeing with regards to recruiting and retaining great teams.

20 Oct, 16.00-18.00 hrs | Networking Mixer In-Person | Free to attend | One Nucleus is delighted to be back to in-person events with our networking mixer in collaboration with QME. Hear a short keynote from Professor Greg Slabaugh on the Digital Environmental Research Institute at Queen Mary and from Dr Laura Fletcher at Deep Science Ventures who have recently become a One Nucleus Partner. This will be followed by open networking and refreshments.

21 Oct, 15.30-16.30 hrs | Webinar: Employer of Choice Session: Women's Safety in the Workplace | Free to attend | A panel discussion to share best practice and the policies an employer should have in place to ensure female employees are safe and reassured in the workplace.

21 Oct, 18.30-21.00 hrs | One Nucleus Regional Life Sciences Dinner | In-person and limited to sixty attendees, this is an opportunity to bring key senior executives from the cluster together for networking and peer-to-peer engagement. **This is a closed event, if you would like more information please email tony@onenucleus.com.**

3 Nov, 17.00-18.00 hrs | BioWednesday Webinar: What Does the US-China Interface Mean for the Global Life Science Industry? | Free to attend for ON Members | In association with Fish & Richardson. With US and China being increasingly the main dominant source of investment for life science companies, how should companies balance their engagement? Furthermore, how do the broader US-China relations impact the flow of investment into other markets, such as the UK.

11 Nov, 12.00-13.30 hrs | Webinar: HR SIG | For One Nucleus Gold, Partner and Corporate Sponsor/Patron Members only | This session will be led by Eleanor Freeman of Cambridge Employment Law LLP.

18 Nov, 14.00-15.00 hrs | Webinar: The Way to Supercharge Your Early-Stage Growth Within Life Science | Free to attend | A co-hosted webinar which will combine experience from the Discovery Park Reactor Programme and One Nucleus Virtual Innovation Centre to share insights into how these initiatives can create a bridge towards future success to impact growth beyond the programme and what is needed to achieve this.

9 Dec, 09.00-18.00 hrs | Genesis London 2021 | One Nucleus Member discount available | Genesis 2021 returns face-to-face after a year online in a new home at 1 Wimpole Street and for its 21st Birthday! Delegates will have exclusive access to keynote sessions, in-person networking and the Genesis 2021 Exhibition. There is also a digital delegate option available on the surrounding days 6-10 Dec and whether attending in-person, or digitally, all delegates will be able to maximise their engagement via the Conference App. Sponsor opportunities are available to showcase your company and expertise to Genesis delegates.

6,7,8,10 Dec | Genesis Digital 2021 | One Nucleus Member discount available | A digital delegate option available throughout 6-10 December that includes access to 1-to-1 partnering, live Innovation Workshops, Genesis 2021 App and on-demand content. One Nucleus members receive one free digital pass per organisation.
