

Dates for Your Diary

Dear Natalie,

Welcome to our first Dates for Your Diary! It is a pleasure to be sharing with you a list of forthcoming events and courses in the One Nucleus calendar to bring you up-to-date with our activities. We look forward to keeping you updated with this regular mailing for key dates covering a wide variety of online sessions and other events where you can meet us, including some where members can get access to discounts!*

Happy scheduling!

June 2021

16 Jun, 11 AM | The Partners& Life Science Lounge: People, Innovation and the Kindness Economy | Grab yourself a coffee and join Matt Clark from Partners& on the virtual sofas to discuss "people" issues in Life Science today. | [Register](#)

17 Jun, 10 AM | What Have Brexit and Covid-19 Meant When Recruiting EU Citizens to UK Life Science Jobs? | A session on the impact of Brexit and the pandemic on recruiting from the EU with speaker contributions from Mills&Reeve and Sygnature Discovery. | [Register](#)

21 Jun, 1 PM | My Question Is...Networking Lunch: New Medicines in a Brave New World | Join us for our monthly online networking event designed to enable our network to interact in small breakout groups whilst discussing thought-provoking questions. This particular session is dedicated to the theme of our upcoming ON Helix conference -

"A Brave New World". | [Register](#)

21-25 Jun | BioTrinity 2021* | Highly regarded biopartnering and investment Life Science conference which will be delivered in a hybrid format. | [Register](#)

22 Jun, 2 PM | How to Network at Conferences for Students and Early Career Seekers | This session will cover how to prepare, be confident and initiate valuable connections when attending conferences, with speaker contributions from tranScrip and Birkbeck College, University of London. | [Register](#)

22 Jun | MedTech Integrates Live Online 2021* | A discussion of the major challenges impacting the MedTech sector with a focus on technology, diagnostics, devices, therapeutics and regulatory considerations. | [Register](#)

July 2021

5-6 Jul | ON Helix Digital 2021* | The One Nucleus flagship conference bring its network together to present and discuss the latest innovations and technologies in Medicines Discovery in a Brave New World. | [Register](#)
