

Genomics & The Bio-Economy

Tuesday 10 December 2019

08.30-11.30hrs

The Shard, 32 London Bridge Street, London SE1 9SG

Hosted by Mathys & Squire LLP

This invite only is the traditional curtain raiser to the annual [Genesis Conference](#). and related Fringe events held in the prestigious Shard in London

The seminar, with a theme of 'Genomics & The Bio-Economy' will bring a focussed group of executives together for debate and networking to enable future collaboration and deal flow

With a focus on the application of genomics, speakers will lead discussions on current trends in:

- The technologies enabling advances
- Applications across these inter-related key sectors
- How the IP can be leveraged in different fields
- What attracts global partnerships and investment

Agenda:
