

The Meeting Place

March 2023

Welcome to our latest The Meeting Place e-newsletter to help keep you updated on forthcoming events and training courses in the One Nucleus calendar where you can meet us and your peers, including external events where members can access discounts to attend.

Just as Spring brings a boost of fresh air, we hope to inspire you with some upcoming opportunities!

Featured Event:

22 March 2023, 12.00 - 14.00, Lunch & Learn: Small Molecule Innovation

In collaboration with:

One Nucleus and Pharmalex are holding a talk at the **Babraham Research Campus** to learn about the different regulatory pathways available to accelerate development and approval of innovative small molecule drugs, including how Omics analysis can benefit both R&D as well into regulatory success. This event is free to attend. [Register...](#)

See you Next Week at Building Life Science Adventures (BLSA) 2023!

The excitement is building ahead of our two-day, online careers conference which includes a stellar line-up of speakers. Check out the [Programme](#) and cast your vote for our [Life Sciences Inspiration of the Year Award](#).

There is still time to [register](#) for this free event!

All the Best Conversations Happen Over Great Food...

A great time was had by all at the One Nucleus Life Science Dinner on 16 March at the charming Quy Mill Hotel & Spa with thanks to sponsorship from Thermo Fisher Scientific, Penningtons Manches Cooper LLP and United Airlines. We are delighted to be holding a [One Nucleus Summer Life Sciences Dinner](#) at Chesterford Research Park on 5 July, the eve of the ON Helix conference at Babraham Research Campus - a great opportunity to connect with 120 attendees. Tables are available to be reserved by email to [Tony](#) and will be allocated on a first come first served basis.

Interested in sponsoring 'The Meeting Place'? Please email [Alicia Gailliez](#) for more information.
