

Mathys & Squire hosted Genesis 2022 Fringe Event

Genesis 2022 Fringe Breakfast Session

6 December 2022 (08.30-11.00)

Mathys & Squire

The Shard, 32 London Bridge Street, London SE1 9SG

“Is Timing Everything in Early-Stage R&D and Deals?”

Context:

Filing a patent application is often the starting point for the commercialisation process that leads to scientific breakthroughs becoming healthcare products. That journey is long, complex and often unpredictable. This session will discuss how aligning your timescales and strategies in R&D, patent prosecution and partnering optimises returns.

Agenda:

08.30 – Delegates arrive for Bucks Fizz and Networking

09.00 – Welcome from the hosts

Martin MacLean, Mathys & Squire and Tony Jones, One Nucleus

09.10 – To UPC or not to UPC – relevant updates

David Hobson & Martin MacLean, Partners, Mathys & Squire

09.20 – Translating a radical theory into a business – I did it my way

Alex Blyth, CEO, LiFT Biosciences

09.40 – Trends in Early-Stage Deals

Ralph Hughes, Voce President, PharmaVentures

10.00 – Q&A with the speakers

10.20 – Networking

11.00 – Close

Registration:

This event is free to attend and by invitation only. Capacity is limited however, so an early RSVP would be excellent. As always, do feel free to circulate to other contacts you feel may be interested and would like to request an invitation. To register or for queries, please contact [Tony Jones](#).

Best wishes,
Tony
