

## People Pathways | November 2024

Your Monthly Round-up of Employee Engagement Opportunities

### Welcome to the November Issue of Our People Pathways Newsletter!

As we approach the end of the year, we take a look back at the training courses we've delivered and look forward to new initiatives and mentoring offers in the coming months. You will have the chance to read about our 2025 courses and be one of the first to register and secure your place. May the new year be filled with even more exciting opportunities for the life science industry...

### Annual Training Review

Our training courses have been flowing with activity over the past year. We're thrilled to share that we have hosted an impressive 250+ delegates across 20+ courses. This remarkable turnout highlights the value and relevance our courses offer in meeting the diverse needs of individuals seeking to enhance their skills and knowledge in various Life Science fields.
