A man in a suit and sunglasses is looking out over a city skyline. The text is overlaid on the image.

TIME TO CHANGE

& TAKE THE PATH TO
TOTAL ZERO

**“This is the decade & we are
the generation”**

Christiana Figueres Ex UN Climate Chief

Our Commitment

- Q3 2021 6 Vauxhall Vivaro EV's & 12 Mercedes E Sprinters added to fleet
Monthly monitoring of emissions starts
- Q1 2022 Start recording Employee Commuting
- Q1 2022 All sites moved to renewable energy
- Q4 2022 Start Monitoring Supplier Emissions
Delivery of 150 EV's – full electrification of fleet
- Q1 2023 Begin Installation of LED lighting & Solar Panels
- Q4 2023 6 Tesla 40' Trucks for ITB/Electrification of Company Cars/Staff

ISO9001 & ISO14001

- We place environmental responsibility and management at the heart of our operations
- We are committed to these international standard to help reduce our environmental impact
- We insist on full traceability and chain of custody on our products

- Consolidate Procurement
- Deliver on a Zero Emission Vehicle

PROJECT ZERO

100% emission free
100% from one source
100% approved?

Consolidated & managed deliveries to reduce the number of vehicles on our streets

Zero emission delivery vehicles lowering pollution & improving air quality

Time & cost-saving business services used by over 400 leading London businesses

Making London an even more pleasant place to visit and work

Less delivery vehicles idling and blocking store fronts, detracting from a positive consumer environment

Consolidated Purchasing

- Help to reduce emissions through collaboration and consolidation

Responsible Sourcing

- Our purchasing and product specialists have been supplying products from sustainable sources for many years.
- Our paper product ranges include FSC, PEFC, Nordic Swann, European ECO Flower and Blue Angel certification
- Our beverage range include Rain Forest and Fairtrade certification
- We have many recycled plastic products
- The wood for our furniture is from sustained forests and recycle program for old furniture
