

ELIXIR Bioinformatics Supplier Forum

7 May 2019 | London, UK

Wellcome Collection, 183 Euston Road

8:30 | *Registration and welcome coffee*

9:00 | **Jerry Lanfaer, ELIXIR CTO** Welcome to the event and introduction to ELIXIR

9:15 | **Hannes Rothe, Assistant Professor, Digital Entrepreneurship Hub, Freie Universität Berlin**

9:30 | **Keynote I: Kenji Takeda, Director of Health and AI partnerships, Microsoft**

10:00 | **Plenary panel discussion** AI in Life Sciences: what do the machines need to learn and how?

10:45 | *Coffee break*

11:15 | **ELIXIR talks**

- **Stephen Newhouse, Head of Technical Services Cluster, EMBL-EBI** ELIXIR Compute platform
- **Björn Grüning, ELIXIR Germany / deNBI** ELIXIR Tools platform
- **Rachel Drysdale, ELIXIR Data Platform coordinator, ELIXIR Hub** Managing federated bioinformatics infrastructures with the ELIXIR Recommended Interoperability Resources

12:00 | **Breakout roundtable discussions**

- Moving bioinformatics services to the cloud, **Chair:** Yasset Perez-Riverol, Team Coordinator of Proteomics resources, EMBL-EBI
- Linking researcher algorithms and toolkits (such as Galaxy) to middleware platforms and services, **Chair:** Björn Grüning, ELIXIR Germany / deNBI
- Barriers to using the cloud for data analysis, **Chair:** Jonathan Tedds, ELIXIR Compute Platform Coordinator, ELIXIR Hub
- Secure access to data & federated data sharing, **Chair:** TBD

13:00 | *Lunch*

ELIXIR Bioinformatics Supplier Forum

7 May 2019 | London, UK

Wellcome Collection, 183 Euston Road

14:00 Feedback on Round table discussions

14:30 Industry talks

- Klaus Maisinger, Director of Bioinformatics, Illumina
- Natalia Jimenez, Life Sciences Consulting Lead – Big Data & Security, ATOS/Bull
- Rodrigo Barnes, CTO, Aridhia Informatics
- TBD

15:30 *Coffee break*

16:00 Flash talks by SMEs

17:00 Keynote II: Maria Rodriguez Martinez, Technical Lead of Systems Biology, IBM

17:30 Kathi Lauer, Industry Officer, ELIXIR Hub Wrap up - The future of the ELIXIR industry strategy

17:35 *Networking reception*

19:00 End
